ALLENTOWN, PA — CREW Lehigh Valley's (LV) Membership Committee hosted a Spring Membership & Guest Breakfast event at Joanne Kostecky Garden Design, Inc. in Allentown. CREW LV members invited potential new members to find out about the group and the beneficial networking opportunities of being a member.

CREW LV member Joanne Kostecky opened her Garden Design, Inc. headquarters and showroom for the event and spoke about this historic structure. Joanne Kostecky Garden Design is housed in an historic general store at the crossroads of Wescosville, Pennsylvania. The building was constructed in 1867 as

a hotel, and, in 1876, it was converted into a dry goods emporium. When Joanne bought the building, it still had shelving in the main room, which she still utilizes to display her garden design photos and products. ■

CREW LV members Michelle Glower, Ph.D., The Advisory Group of PA & NJ (left), and Tina Kisela, The Promenade Shops at Saucon Valley (right), speak with Joe Posh, Joseph T. Posh Properties.

The CREW LV Guest Breakfast provided a venue for members and potential members to network.

The beautiful Joanne Kostecky Garden Design office offered a relaxing atmosphere for the CREW LV Membership & Guest Breakfast event.
